## ***Summer holiday...***

***This year, 2011, we have open for your service  
the whole summer!***

***We need to have your stock orders in the  
beginning of week 26.***

***Our operating crew is reduced during the weeks 29 –30- 31  
and therefore we are not able to deliver stock orders  
during those three weeks.***

***We wish you a nice and relaxing summer!***
